It may not be apparent from the video that this is a "runner" game. You can't stop, only jump up or down, and you have limited ammo. It seems fine if you like that kind of game, and it certainly is cheap, but it's not something that interests me much. I didn't play it long enough to give it a proper review.. It may not be apparent from the video that this is a "runner" game. You

can't stop, only jump up or down, and you have limited ammo. It seems fine if you like that kind of game, and it certainly is cheap, but it's not something that interests me much.
